

Environmental Information

Moving into the area

If you are thinking about moving into the area, you may be interested in finding out where certain locations lie in relation to the operation of aircraft to, and from, Bournemouth Airport.

WebTrak

To get an understanding of aircraft activity, you may find it useful to access our internet-based service, WebTrak at:

www.bournemouthairport.com.

This shows aircraft operations up to 30 miles from Bournemouth Airport, and over flights which are not related to the Airport's activities. Some military and police operations may not be shown on WebTrak.

Our individual fact sheets on WebTrak, and arriving and departing aircraft, may also be of interest.

Airport Master Plan

Bournemouth Airport's Master Plan (also available by accessing the website) provides details of the Airport's plans for its future development up to 2030.

To meet the needs of the public, businesses and of the UK economy, UK aviation is set to grow over the next 20-30 years. The Master Plan explains Bournemouth Airport's current and future roles in helping to achieve national, regional, local community and individual objectives.
